# Princess Jellyfish

Do-it-yourself Jellyfish!

## Materials

- (1) fat quarter of patterned fabric (18" x 22")  
OR (2) fat quarters of fabric with contrasting patterns
- (1) 1/8" wide ribbon (cut to 17" long)
- (2) small buttons for eyes
- polyester stuffing
- thread

## Instructions

1. Cut out (1) **part A** and (1) **part B** on fold of fabric. Cut notches where indicated on inside edge of ruffle.
2. Iron out the center fold on both pieces.
3. Fold inside edge of **ruffle** (wrong sides together) on line indicated and sew with a 5/8" seam allowance.
4. Attach a small safety pin to end of **ribbon**. Thread through **ruffle** and gather.
5. Sew two **buttons** onto right side of **jellyfish body** at marked "X"s.
6. Add stitches for mouth where indicated. (Mouth can be any shape—smiling, frowning, open, closed, etc.)
7. Place softball-sized ball of **stuffing** onto middle of **jellyfish body** circle on wrong side of fabric.
8. Loosely sew **jellyfish body** closed at line indicated (approximately 2 inches inside of edge).
9. Place **ruffle** around **jellyfish body** at line indicated (approximately 2 inches inside of edge) and tie closed.
10. Fluff jellyfish **ruffles**, embellish as desired. Be creative and make it your own!
